

My Favorite Sightseeing Spot in Japan

Step 1. Mio's essay

My favorite sightseeing spot in Japan is *Okazaki park*. It is in Aichi. I go there almost every year with my family.

I think that *Okazaki park* is more attractive than *Tsuruma park* because people can look around Ieyasu Tokugawa's historic sites.

Also, I think that lit-up cherry blossoms at night in the park are the most beautiful in Aichi. People can enjoy eating different foods when they watch cherry blossoms. I like cold pineapple very much.

Okazaki park is the best sightseeing spot for me.
