

## My favorite place

**Step 1** Watch the video and answer the questions with complete sentences.

I spent my weekend in Nagano. Nagano is one of my favorite places. I went to Suwa. I have been to Nagano twice, but it was my first time to go to Suwa. I visited "Suwa Taisha." There are four big shrines: Kamisya Honmiya, Kamisya Maemiya, Shimosya Akimiya, and Shimosya Harumiya. There are beautiful mountains and a lake. I like the nature in Nagano. It made me relaxed. I want to go there again.
