Talk about the winter vacation!

Step | Read about Nanase's winter vacation and answer the questions.

I enjoyed my winter vacation. My family did a lot of things.

My sister loves Kis-My-Ft2. She watched Kouhaku-Uta-Gassen. She was excited to see them.

On New Year's Day, my family went to Nagashima outlet. My father drove about 3 hours in total. He was bored to drive. At the night, he slept a lot.

At Nagashima outlet, my mother bought a lot of cloths. After shopping, she looked into her wallet. She found that she used too much money. She was sad to buy too many clothes.

I met my grandfather on January 3. He looked fine and he ate Osechi a lot. I was happy to meet my grandfather.
