Let's introduce new things to your friends!

Step1 Read the story and answer the questions.

Let me tell you how to start playing basketball. There are three steps. The first step is to				
buy a cheap basketball. Some basketballs are too expensive for you to buy, so a cheap one is				
great. The second step is to play with your friends. It is hard to play basketball by yourself, and				
it is boring. So, playing with friends is very important. The third step is to watch NBA (Nation				
Basketball Association). I highly recommend you to watch NBA games. I believe it will make yo				
fall in love with basketball. Let's play basketball!				
No.1 What are the three steps to star play basketball?				
No.2 Why is a cheap basketball better?				
No. 3 Why is to play with friends important?				
Step 2 Brain storming				
What is your three steps?				

Step3 Prepare for the speaking test.
